### **Our Mission**

The Palm Beach County Artists' association is a coalition created and managed by artists, for artists of all disciplines. We are dedicated to empowering individuals in the arts by reaching out to our diverse community, cultivating professional and social resources and opportunities for our members, and developing collaborative relationships.

### **Misyon Nou - Creole**

Asosiyasyon Atis nan zòn "Palm Beach" la se yon kowalisyon atis kreye ap dirije, pou atis yo nan tout disiplin. Nou dwe pou nou voye endividi yo monte nan domèn atistik la, n ap lonje men bay kominote ki gen tout kalite moun, n ap kiltive resous pwofesyonèl ak sosyal ansanm ak opòtinite pou manm nou yo, epi n ap devlope relasyon ak kolaborasyon.

### **Nuestra Mision - Spanish**

La Asociacion de Artistas del Condado de Palm Beach es una coalicion creada y dirigida por artistas para servir los artistas de cualquier disciplina. Nosotros nos dedicamos en fortalecer aquellos individuos que estan involucrados en las artes, cultivando las oportunidades y los recursos sociales y profesionales para nuestros miembros, alcanzando nuestra comunidad diversa y desarrollando relaciones de colaboracion entre ellas.

In 2003 three artists initiated a campaign to get artists talking about resources needed in Palm Beach County. In six public meetings attended by 500 artists they listened and compiled the results. A steering committee was formed in late 2004 to create a membership organization for all artists in the county. Now we are recruiting members, as we build programs and benefits. This is a work in progress and your participation is eagerly awaited!

**Members** will take an active part in creating the artists association. Contribute to shaping and maintaining a democratic organization by promoting membership drives, creating programs and benefits for members, cultivating financial supporters and by electing a board of directors.

**Members** will have access to celebrations and "events" that bring artists together and promote artistic works. Opportunities for artistic collaborations between disciplines which engage a diversity of artists will be available to members of this "pioneering" and innovative association.
